

# Birthday Book Club

The Palencia Elementary School Media Center's Birthday Book Club is a wonderful way to commemorate your child's birthday. Your participation not only enriches the library collection but allows you and your child to be personally involved in its growth.

If you would like to take part in the Birthday Book Club, a donation of one new hard back book is requested. This book should be a book that your child really likes and one that we don't have in the media center already. You can choose a new book at the book store or a book from the Book Fair. A quick check of our library catalog (Alexandria) will tell you if we already have the book. In lieu of a book, you may make a monetary donation of \$15 and your child can choose from recently acquired books that are waiting to be processed.

The following is included with your enrollment;

- A special book plate placed inside the front cover of the donated book with your child's name and birthday.
- A photo will be taken of your child with the book he/she chooses and will be displayed in the media center. This photo will be sent home with your child at the end of the year to keep and enjoy.
- An opportunity to share the book on WPES Morning News on the day of your child's birthday.
- Your child will be the first to check-out the book that he/she donated!

This is a very special honor and a gift that keeps on giving to all who use the Palencia Elementary Media Center. If you would like to donate a book for your child's birthday, **please fill out the form below and send it to the media center with the book or donation at least 2 weeks prior to your child's birthday. Monetary donations should be made out to Palencia Elementary.** If you have any questions, please contact Ms. Ayrish or Mrs. Degutis at Shannon.ayrish@stjohns.k12.fl.us or call (904) 547-4037.
